STS OF NJ ANNOUNCES THE 2012

## School Bus Driver Safety Seminars

Topics: What can we learn from other school bus driver issues?  
Who is having bad collisions?  
Why do drivers hate going to monthly safety meetings without being paid?  
Passing vehicles are killing students, is the driver doing it wrong?  
What do you see out of your mirrors, There goes United!  
Drivers not performing bus inspections could kill you.

Presenter: Mr. Dick Fisher – President, Trans-Consult

Mr. Fisher has devoted his career to the safe transportation of students and the education of the people responsible for transporting them. Long before any government agencies required cross-over mirrors or seat belts, he installed them on his bus fleets. Thanks to Mr. Fisher, there is a National School Bus Safety Week.

Mr. Fisher is the founder and President of Trans-Consult, a world-wide school bus consulting service. He has been the recipient of numerous national awards, including the National Safety Council Distinguished Service Award, the National Association for Pupil Transportation Distinguished Service Award, and the Kansas State Pupil Transportation Life Achievement Award.
