STS OF NJ ANNOUNCES THE 2020 School Bus Driver Safety Seminars

Topics:

“Create a Safe & Smooth Ride”

The goal of this presentation is to provide information, which will ensure the safe transport of students with autism spectrum disorder. The presenter will discuss understanding behaviors that may be related to the disability, appropriate behavior management, effective communication and the use of operation of adaptive equipment.

Workshop learning objectives include the following:

- General overview of autism spectrum disorder
- General strategies on creating a safe and smooth ride
- Recommendations on how to communicate with individuals with ASD
- Instructor will include opportunities to practice using safety devices

Presenter: **Marlene Brown, M.S., BCBA, LBA (NY)**

Ms. Brown has worked at Douglas Developmental Disabilities Center since 1999. She has over 25 years of experience in statewide advocacy, influencing policy development, and working with learners with autism spectrum disorders. She has also presented at local and national conferences on a variety of topics surrounding home-based services and supports for families of learners with ASD. Ms. Brown has also designed and presented workshops for first responders and emergency room staff. Her clinical interests include the application of behavior analytic principles with families in community-based settings.
