To All Members, Vendors and Attendees of the STS of NJ Conference

Every year, we look forward to connecting with everyone, providing speakers on various topics, sharing ideas and networking. It is with sadness and heavy hearts that we announce the cancellation of this year's STS of NJ Conference at Golden Nugget (due to take place 24-26 March).

With the current situation, we also feel that a virtual conference wouldn't be the appropriate way to go for our organization. We are postponing all speakers and vendor show until the Conference of 2022, which will start on Wednesday evening March 23 and continue thru till approximately 3 pm on Friday March 25, 2022.

We are looking forward to seeing everyone at our 2022 conference and will be holding zoom meetings and discussion groups until we can meet again in a group.

Thank you all for your continued membership and participation in our organization. To all our vendors, you are very much appreciated also for all you do for the organization and all our members who use your services.

Sincerely,

Barbara Sargeant  
President, STS of NJ
